Re: Request for full congressional investigation of "birther" claims

Dear Rep. Holding:

I am writing at the request and with the full support of a dishonorable retired Navy officer named Cdr. Charles Kerchner. Please support and/or instigate a full public Congressional investigation of all the dishonest claims made by people in the "birther" movement at the earliest possible date.

These despicable, lying, unpatriotic, unAmerican scum like Cdr. Kerchner will never stop telling lies about U.S. law, about the U.S. Constitution, and about the President of the United States of America. They are delusional racists who will never accept reality. However, with a full congressional investigation you can demonstrate for the vast majority of sane and patriotic Americans that there's no truth behind any of the stinking birther lies.

Here's a list of 60 stinking birther lies that should all be fully investigated and the resulting findings should be made public:

1. President Obama was born in Kenya.
2. He was also born in Indonesia and he was also born in Canada.
3. He was adopted in Indonesia. Contrary to U.S. law, he lost his citizenship because of his adoption, even though there's no record of any adoption.
4. His birth certificates (short form and long form) are forgeries.
5. His Selective Service card released by the Bush administration is a forgery.
6. His Social Security number was stolen from a man born in 1890 named Harrison J. Bounel.
7. His real name is Bari Shabazz, his real name is Barry Soetoro, and his real name is Barry Soebarkah.
8. He's a congenital moron who is unable to speak intelligently without a Teleprompter.
9. He went to Punahou School as a foreign student.

10. He was a crack cocaine addict and male prostitute in high school.
11. He went to Occidental College as a foreign student.
12. He went to Columbia University as a foreign student.
13. He never went to Columbia University.
14. He was working for the CIA in Pakistan when he wasn't attending Columbia.
15. He was being trained by Al Qaeda in Pakistan when he wasn't attending Columbia.
16. He went to Harvard and was president of the Harvard Law Review as a foreign student.
17. He was never president of the Harvard Law Review, and he didn't go to Harvard.
18. He was disbarred by the State Bar of Illinois.
19. His wife Michelle is a man who had a sex-change operation. Her real name is Michael.
20. His wife Michelle was disbarred by the State Bar of Illinois for real estate fraud.
21. Americans were forbidden to travel to Pakistan in 1981, when Reagan was President and Pakistan was our friendly ally against the Soviet invasion of Afghanistan.
22. President Obama traveled to Pakistan in violation of U.S. law, using a foreign passport.
23. His father Barack Obama Sr.'s citizenship makes him ineligible for the presidency.
24. His father is Malcolm X, not Barack Obama Sr.
25. His father is Frank Marshall Davis, not Malcolm X or Barack Obama Sr.
26. His mother Stanley Ann Dunham Obama was posing for nude photographs in Hawaii when she was 13 years old, five years before she and her family moved to Hawaii.
27. His mother is Elizabeth Duke, a criminal terrorist wanted by the FBI. There was never any such person as Stanley Ann Dunham Obama.
28. His mother Stanley Ann Dunham Obama is still alive and living under a false name in Australia.
29. He's a communist.
30. He's a Muslim.
31. He speaks fluent Arabic because he spent four years of his childhood in a country where they don't speak Arabic.
32. He's a homosexual.
33. He murdered four of his homosexual lovers in Chicago.
34. He murdered a friend of Bill and Hillary Clinton to silence them.
35. He threatened to murder Chelsea Clinton to silence her parents.
36. He murdered his own grandmother just before the 2008 election to silence her.
37. He murdered a man named Lieutenant Quarles Harris to silence him.
38. He had a homosexual encounter and did cocaine with a man named Larry Sinclair

- (but he felt no need to silence him).
39. He murdered a baby named Reneé Obama in a Satanic ritual; she was born on Halloween and murdered the following Christmas Day.
  40. He murdered Andrew Breitbart with a frozen CO<sub>2</sub> dart that made it look like a heart attack to silence him from talking to Crazy Sheriff Joe Arpaio.
  41. He pays hundreds of people (including me) to spread disinformation and propaganda.
  42. He ordered all records of his past sealed when he took office.
  43. He put former Lt. Col. Terry Lakin in prison for questioning his birth certificate. Lakin was convicted of a felony and his pension (potentially worth \$2 million) was stripped from him. The judge ruled that Lakin tried to “embarrass” the President.
  44. His daughters are not his daughters; they were both secretly adopted in Africa.
  45. He never wrote a book. The books *Dreams From My Father* and *The Audacity of Hope* were both ghostwritten by former domestic terrorist Bill Ayers.
  46. He is the Anti-Christ and gets his supporters to chant “Thank you, Satan.”
  47. He wears a ring that bears the inscription “There is no god but Allah” in Arabic.
  48. He has set up FEMA camps to be concentration camps for his political enemies. The one in Indiana has a gas chamber that can kill 5,000 people a day.
  49. He has bribed and/or threatened hundreds of judges across the U.S. to prevent birther cases from being heard, at a cost exceeding millions of dollars of taxpayer money.
  50. He has bribed and/or threatened every member of Congress, yourself included, and you all need to be sent to prison for life after you finish investigating yourselves.
  51. He has bribed and/or threatened every high-ranking active-duty member of the U.S. military. They're all going to prison for life, too.
  52. There are no records showing that he was born in Kapiolani Hospital or in Hawaii.
  53. He bought a house for \$15 million using taxpayer money after he gave up on the idea that he could be re-elected in 2012 because he was sure to lose the election.
  54. He rigged the 2012 election, which Romney won despite massive voter fraud.
  55. He ordered the detonation of an atomic bomb in Charleston, SC but the military refused to carry out that order.
  56. He uses a weather-related government project called HAARP to unleash weather attacks on the U.S. and on foreign countries,
  57. He never ordered the killing of Osama Bin Laden. Bin Laden had been dead for 10 years and President Obama ordered that his death be faked in order to draw attention away from Jerome Corsi’s book *Where’s the Birth Certificate*.
  58. He subsequently murdered the members of Seal Team Six to silence them so they couldn’t reveal that they didn’t really kill Bin Laden.

59. He ordered the military not to rescue the American personnel in Benghazi.
60. He committed murder, enslavement, apartheid, and other crimes against humanity in Egypt as the secret head of the Muslim Brotherhood.

That's not an exhaustive list. There are other lies the birthers tell, such as that he's a reptilian shape-shifting space alien. But that ought to be enough to get you started.

Every single one of these lies has been told by various birthers at various times over the past five years. Sunlight is the best disinfectant. Falsehoods unchallenged only fester and grow. It's time to investigate every single one of these disgusting and despicable birther lies and expose the truth, once and for all.

You were elected to represent the people of the 13th Congressional District of North Carolina. I also expect you to act in the interests of the United States of America, and that means exposing the lying, unpatriotic, unAmerican scum for what they are.

Thank you in advance for your cooperation in this effort.

Sincerely,

Bill Bryan
